Side access and workshop

If a workshop with side access is on your list, look no further. Positioned on a 705sqm block with double side access, workshop and two garden sheds the block still has loads of outdoor space for the kids, pets and entertaining. This exceptional 3-bedroom, 1 bathroom home offers 110sqm of multiple living spaces in the well-established neighbourhood of Greenfields.

The two family bedrooms are both generous in size with built-in storage, new carpets, ceiling fans window treatment and are also freshly painted.

Through to the charming, well positioned kitchen you have an open plan dining and family room. Newly renovated with stainless steel appliances, cupboards, and double fridge recess, you have loads of room to expand. With the wood fireplace you can be sure to have some great winters. Overlooking the patio and backyard you can easily keep an eye on the kids an
